

Project Timothy – Consent and Liability for Spiritual Direction & Inner Healing Appointments

I, as parent/legal guardian of the minor(s), understand that my child will be attending Project Timothy at the Vineyard Church of the Rockies in Fort Collins, CO. I understand that at this time they be given opportunities to participate in spiritual direction and inner healing appointments.

Spiritual Direction

Spiritual direction is a form of pastoral care that the Church has offered for centuries. A trained spiritual director is simply one person that helps another person see how God is working in his/her life and to notice his/her responses to God's work. For the Project Timothy teens, spiritual direction will be an opportunity to focus on developing awareness of God and responding to God's invitations into a deeper relationship. The director will ask questions to assist in the process of reflection and personal growth.

Inner Healing Prayer

A trained team (two people) will pray as the Holy Spirit guides the process of wholeness and freedom. Participants will be led through biblical prayers and declare scriptural truth in areas of their lives where they may feel spiritually or emotionally stuck. Project Timothy teens will be offered an opportunity gain personal freedom through receiving God's deep and compassionate love for them in a safe space.

I, as parent/legal guardian of the minor(s) acknowledge that team members from the Vineyard Church of the Rockies, have voluntarily agreed to offer spiritual direction and inner healing prayer appointments. I understand that these sessions are not professional counseling meetings and that none of the team members are licensed counselors. I understand that these team members are, to the best of their ability, doing what they can to help the Project Timothy students connect and draw closer to the Father, Son and Holy Spirit.

I, as parent/legal guardian of the minor(s) understand that the teams from Vineyard Church of the Rockies are committed to respect the disclosed information, but not to complete confidentiality. The information, as needed, may be shared with leaders at Project Timothy and from your home church. I understand the teams will report all abuse disclosures to the proper authorities.

I, as parent/legal guardian of the minor(s) agree to hold Vineyard Church of the Rockies, its employees, agents, staff members, representatives, Project Timothy team members, and other volunteers, free from any and all liability, loss or damage of any kind that may arise as a result of any assistance that has been received from spiritual direction, inner healing prayer appointments and participating in Project Timothy.
